

15.1 Support from ICMR

The Institute's core funding support is provided by the Indian Council of Medical Research and the staff and students are grateful to the Director General for ensuring that funds allocated for research purposes continue to flow.

15.2 Extramural Support for Newer Initiatives

Extramural funds for projects during 2004-05 continued to flow from agencies such as Department of Biotechnology, Contraceptive Research and Development, World Health Organization, Department of Atomic Energy, Indian Council of Medical Research, United Nations International Children's Education Fund and Ministry of Health and Family Welfare, Government of India (Fig. 129).

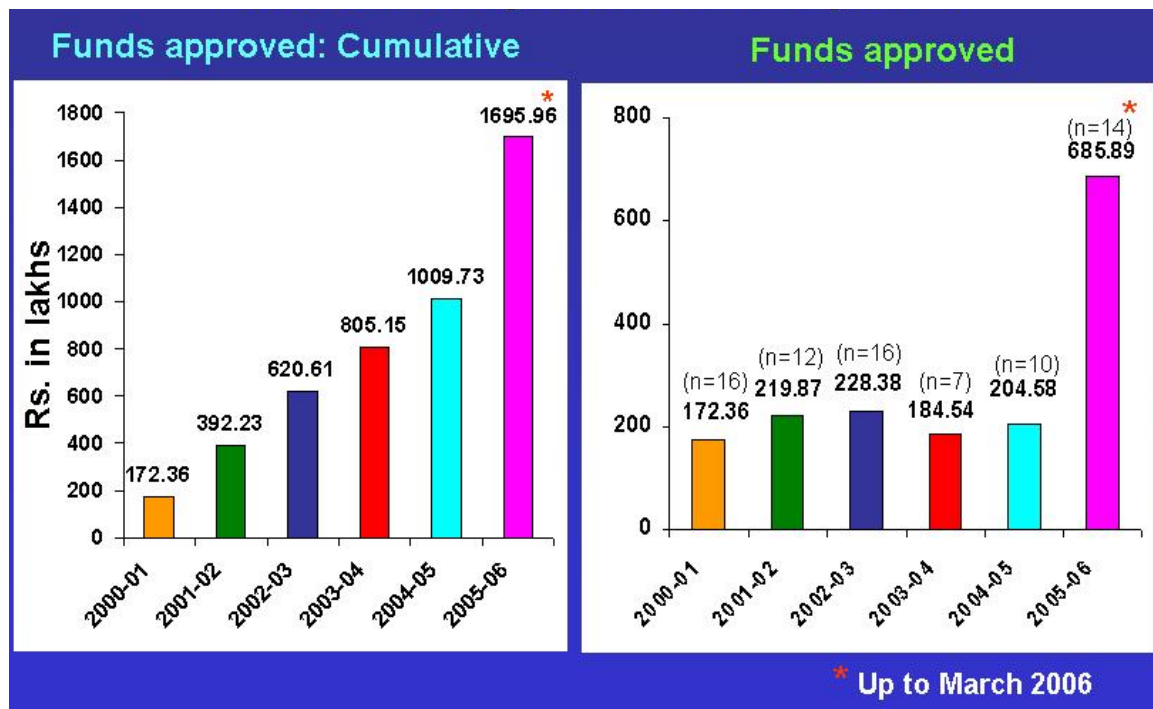

Fig. 129: Extramurally funded projects. Funds approved: cumulative and yearly.
