Preface

Staff position

Executive summary

Detailed Research Works

(A) NON COMMUNICABLE DISEASES

1. Community control of thalassaemia syndromes
2. Study on Hypertension and CHD in Mizoram
3. Study on blood pressure in children & adolescents
4. Genetic aspects of essential hypertension in north-east India
5. Cause of death by verbal autopsy in Assam: a multicentric study
6. Morbidity surveillance in Sikkim
7. Risk factors for stomach cancer in Mizoram
8. Comprehensive study of carcinoma oesophagus in north-east India
9. North-east cancer registry programme
10. Treatment seeking behaviour of patients with fever symptoms
11. Studies on HIV/AIDS and drug abuse in Mizoram and Nagaland
12. Health consequences of domestic violence with special reference to reproductive health
13. Mapping and size estimation of IDUs in five north-east states of India

(B) COMMUNICABLE DISEASES

14. Integrated filariasis control in a tea garden set up
15. Development of an early warning system for JE with remote sensing and GIS
16. Epidemiological evaluation of the impact of ITMNs on JE
17. Bio-diversity of mosquitoes in Dibru-Saikhowa biosphere reserve
18. Malaria control in a forest fringed village of Assam: A pilot study
19. Therapeutic trial of SP alone and SP+artesunate in Indo-Myanmar districts of Arunachal
20. Incidence & molecular characterisation of G-6-PD deficiency in NE India
21. Studies on Paragonimiasis in hill tribes of Arunachal Pradesh
22. Molecular epidemiological analysis of methicillin resistant *S. aureus* in Assam
23. Epidemiological survey of sporotrichosis among tea garden workers
24. Drug sensitivity profile and molecular characterization of *M. tuberculosis* in Assam

(C) MISCELLANEOUS STUDIES

1. Insecticide treatment of bed nets in collaboration with CBOs in NE India
2. Multicentric evaluation of VCRC-PFFC against vector mosquito immatures
3. Phase III evaluation of artesunate in paediatric age group
4. Outbreak investigation of suspected viral hepatitis

Institutional facilities

Workshops /Conferences /Seminars conducted/ organised by the centre

Ph.D/M.D. Programme

Award/Honours received

Institute's foundation day celebrations

Participation of scientists in meetings /trainings/seminars / symposia

Scientific Publications

Budget

Institutional Committees

Scientific Advisory Committee

Distinguished Visitors
