

Institute's Foundation Day

The 23rd foundation day of the centre was celebrated on July 12, 2004. Dr. J. Mahanta, Director welcomed the guests and Prof. N. Choudhary, Principal, Assam Medical College and Hospital, Dibrugarh lighted the lamp and delivered the inaugural address. Dr. Mahanta felicitated Mr. Golap Baruah, who superannuated last year, for rendering excellent service to the Centre. He also appreciated the contribution of Dr. H. C. Baruah, Retd. SRO who could not make himself available in the felicitation ceremony. Later, a Scientific session under the Chairmanship of Dr. J. Mahanta, followed wherein Dr. K. Narain, SRO deliberated on the public health problem of Paragonimiasis in the north eastern region of India. This was followed by the presentation by Prof. G.N. Gogoi, Prof. of Medicine, AMCH, Dibrugarh on Recent advances in the management of diabetic mellitus. In the afternoon, the Foundation Day Oration was delivered by Dr. K.C. Bhattacharyya, Director, North East Space Application Centre, Shillong who spoke about the Space Technology and Human Development. Prof. S.C Jain, Retd. Principal of AMCH and Prof. M. S. Dutta, Retd. Prof. of Medicine, AMCH were the Chief guest and the Guest of Honour respectively in this session. The day's activities were concluded after a formal vote of thanks by Dr. Anil Prakash.
