Dr. S. K. Sharma, AD

1. Meeting of the investigators of the project *Community control of thalassaemia syndromes: awareness, screening, genetic counselling and prevention* (November, 2004) at Mumbai

Dr. A. M. Khan, SRO

1. Resource person in training on Filaria Microscopy for Laboratory Technicians (29.4.2004-30.4.2004) organized by Joint Director of Health Services, Guwahati, at Assam Medical College & Hospital Campus, Dibrugarh. Delivered a talk on “*Filaria infection, identification and microscopy: Blood smear collection, staining and examination of blood film for presence of microfilaria*”.
2. Resource person in trainers training on *Elimination of Lymphatic Filariasis* for PHC Medical Officers (14.5.2004-15.5.2004) organized by Joint Director of Health Services, Guwahati, Assam at Guwahati. Delivered talks on (i) *Pathogenesis of filariasis* and (ii) *Lymphatic filariasis in Assam: Prevalence and control*.
3. Delivered a talk on “*Chai baghan aur hathipaon bimari*” in Hindi (21.5.2005) among tea workers and health workers at Nahartoli Tea Estate
4. Resource person in *Training on Filariasis for PHC Medical Officers* (24.5.2004) organized by Joint Director of Health Services, Guwahati, Assam at Assam Medical College & Hospital Campus, Dibrugarh. Delivered a talk on “*Assessment and management of filarial Lymphoedema*.”
5. ICMR-WHO Workshop on *IPR & WTO issues* (15.9.2004-16.9.2004) at Regional Medical Research Centre, Dibrugarh.

Dr. H. K. Das, RO

1. Meeting of the project *Domestic violence on women and its consequences on reproductive health* (26.7.2004 – 27.7.2004) at ICMR Hqts, Delhi.

Dr. D. R. Bhattacharyya, RO

1. ICMR-WHO Workshop on *IPR and WTO issues* (15.9.2004–16.9.2004) at Regional Medical Research Centre, Dibrugarh.

Dr. S. A. Khan, RO

1. Hand on training (9.12.2004 -10.1.2005) on preparation of JE, WN and Dengue antigen at NIV, Pune

Dr. G. K. Medhi, RO

1. Training programme on methodologies for estimating size of IDUs (21.5.2005 -23.5.2005) organized by Family Health International at Kolkata
2. Resource Person in state level training of field staff of the project titled *Mapping and size estimation of Injecting Drug Users (IDUs) in five north east states of India* (10.6.2004-11.6.2004) at Environmental Society of Nagaland, Kohima.
3. Workshop on Data entry and interpretation of the project titled *Mapping and size estimation of Injecting Drug Users (IDUs) in five north east states of India* (10.7.2004-13.7.2004) organized by Family and Health International at Kolkata.

Dr. P. K. Bora, RO

1. Orientation training on Molecular Biology (17.7.2004-11.8.2004) at Institute of Immunohaematology, Mumbai

Dr. (Ms) K. Rekha Devi, RO

1. Short term training on Hybridoma Technology (29.4.2004-3.6.2004) at National Institute of Immunology, New Delhi

Dr. R. K. Phukan, TO

1. Workshop on *Integrated Disease Surveillance Programme & Epidemic Preparedness and Response* (17.5.2004–22.5.2004) organized by RMRC-Dibrugarh & NIE, Chennai at Regional Medical Research Centre, Dibrugarh.
2. Cancer Registry Training Programme (6.12.2004 – 10.12.2004) organized by National Cancer Registry Programme (ICMR) and National Cancer Institute, USA held at Gangtok, Sikkim

Mr. M. Chetia, LT

1. Workshop on common lab equipments (13.12.2004 – 2.1.2005) at University of Madras, Chennai

Mr. S. K. Rajguru, LT

1. Training on Concept in structural and/or Molecular Biology (1.2.2005-2.3.2005) Dr. ALMPG Institute of Basic Medical Sciences, University of Madras, Chennai

Mr. Sandhan Gogoi, LT

1. Training on Retinol estimation on blood serum samples (3.10.2004) at ICMR Hqts, New Delhi

Mr. S. N. Bhagawati, AO

1. Meeting on the adoption of common format for preparation of annual accounts (24.4.2004) at Regional Medical Research Centre, Bhubaneswar

Mr. P. D. Baruah, UDC

1. Meeting on the adoption of common format for preparation of annual accounts (24.4.2004) at Regional Medical Research Centre, Bhubaneswar
