

Meetings, Seminare,Symposia, Workshops, Training Attended

Dr. AC Mishra

1. Selection Committee meeting for the post of SRO (ERC,Mumbai) at ICMR Head Quarter, New Delhi on 5th April, 2005.
2. JE meeting at ICMR Head Quarter, New Delhi on 3rd-4th May, 2005.
3. Development of joint proposal for vectors of JE and Dengue including modern tools meeting at NIV, Pune on 13th May, 2005.
4. Selection Committee meeting for the post of SRO (Molecular Biology) at ICMR Head Quarter, New Delhi on 25th May, 2005.
5. Workshop on Control of JE in AP Experience at Hyderabad on 13th June, 2005.
6. JE Vaccine meeting at Institute of pathology, New Delhi on 6th July, 2005.
7. Meeting- Proposal for establishing world Organizers: Class Biosafety level 4(BSL-4) facility for infectious diseases caused by micro organism at Hyderabad on 15th July, 2005.
8. Selection Committee meeting at NCCS, Pune on 5th August, 2005.
9. ICMR Performance Appraisal meeting at ICMR Head Quarter, New Delhi on 7th-10th September, 2005.
10. Forum Nineth International 2005 Annual meeting at Mumbai on 12th-16th September, 2005.
11. CME on vectors & vector borne diseases at Dr DY Patil Prishthan Pimpri, Pune on 4th October, 2005.
12. Technical discussion on establishment of BSL-3 facility at NCCS, Pune on 5th October, 2005
13. SAC meeting of NIE, Chennai on 6th-7th October, 2005.
14. Meeting regarding construction of BSL-3 lab at NICD, Delhi at ICMR Head Quarter, New Delhi on 10th October, 2006.
15. Technical Committees meeting on flu vaccine and drugs at ICMR Head Quarter, New Delhi on 2nd November, 2005.
16. Technical visit to M/s. Emcure Bio-tech for the spot assessment of their R&D at Emcure Bio-tech Hinjewadi, Pune on 4th November, 2005.

17. WHO Advisory Committee on Variola Virus Organizers Research at WHO Head Quarter, New Delhi on 10th -11th November, 2005.
18. Construction of BSL-3 Laboratory at NARI Meeting conducted at NIV, Pune on 21st November, 2005.
19. Building Committee meeting at NCCS, Pune on 23rd November, 2006.
20. Technical Committee for BSL-3/P3 facility at NCCS, Pune on 18th January, 2006.
21. Constitution of High Level Technical Committee to assess the reliability of procedures and processes of the test being conducted for highly pathogenic Avian Influenza at High Security Animal Diseases Laboratory Bhopal on 18th February, 2006.
22. Finance Committee meeting at NCCS, Pune on 10th March, 2006.
23. SAG meeting of the Division of ECD at ICMR Head Quarter, New Delhi on 13th-14th March, 2006.
24. Inauguration of ICMR-NICED new building at NICED, Kolkata 17th March, 2006.
25. Meeting to discuss the possible joint activities between Boston University. and ICMR School of Public Health at NIE, Chennai on 22nd March, 2006.

Dr. VA Arankalle

1. "Eleventh International Workshop on Virus evolution and molecular epidemiology" at Petropolis, Brazil on 5th 9th September, 2005.
2. Association of HLA class I and II genes with HCV infection in Maharashtra, India (oral presentation), at the 14th International Histocompatibility Workshop at Melbourne on 2nd-8th December, 2005.

Dr. MM Gore

1. Meeting of the Technical committee on JE vaccine at Nirman Bhavan, New Delhi on 21st December, 2005.
2. Meeting for EQAS for Public Health Laboratories in India, at NICD, New Delhi on 22nd December, 2005.

Dr. DT Mourya

1. Training for learning the procedures for handling high hazard viral disease agents in High Containment Laboratory at the Centre for Disease Control and Prevention, Atlanta, USA on 20th October-13th November 2005.
2. ICEID at Atlanta, USA on 19th-22nd March, 2006.

Dr. NS Wairagkar

1. Plenary meeting of WHO Collaborating Laboratories and National Referral Laboratories in India, at NIV, Pune on 13th-15th April, 2005.
2. WHO-Initiative on Vaccine Research (WHO-IVR) Steering Committee meeting, at New Delhi on 19th-21st April, 2005.
3. Fifth International Advanced Course on Vaccinology in Asia- Pacific Regions at International Vaccine Institute, Seoul, Korea, 9th-14th May, 2005.
4. WHO-ICMR training workshop on ethical issues in vaccine trial, at Pune on 26th-28th May, 2005.
5. ICMR Epidemiology Forum meeting, at Chennai on July, 2005
6. Meeting of WHO collaborating centers for epidemiological studies at Chennai on July, 2005.
7. Global Health Forum, at Mumbai Forum-9, on August, 2005
8. WHO-IVR Measles Aerosol Protocol signing Meeting, at NIV, Pune, on 17th October, 2005.
9. WHO-NIV workshop on Molecular surveillance network for measles in India Organised and attended as faculty at NIV, Pune on 17th-18th October, 2005.
10. Third Southeast Asia and Western Pacific Bi-Regional TEPHINET Conference at Ambassador Pallava, Egmore, Chennai on 9th-12th January, 2006.

Dr. SD Chitambar

1. Workshop on Multicentric study on Rotavirus Surveillance ICMR at CMC, Vellore on 5th-9th December, 2005.
2. Quick ELISA for hepatitis A: Reduction in time from 24 hrs to 45 min. 7th Annual Convocation and Scientific Session, Federation of All India ICMR Employees, at NIV, Pune on 8th 10th April, 2005.
3. Partial sequence analysis of group B rotavirus genes 4,5 and 8 shows its presence in Surat, India during 2004 7th Annual Convocation and Scientific Session, Federation of All India ICMR Employees at NIV, Pune on 8th-10th April, 2005.

Dr. MS Chadha

1. Workshop on ethical issues in vaccine trial for Ethics Committee Member Special Reference to Aerosol Vaccine Trial at NIV, Pune on 26th-28th May, 2005.
2. Meeting with Dr. Suaya, Brandeis University on Dengue at NIV, Pune on 4th August, 2005.

3. South-East Asia/Western Pacific-based Partner's Consultation on WHO 11th General Programme of Work at Bangkok, Thailand on 27th-28th September, 2005.
4. Association of HLA class I and II genes with HCV infection in Maharashtra, India (Oral presentation) at the 14th International at Melbourne on 2nd-8th December, 2005.
5. Dr. Scott Halstead, (Research Director, PDVI) visit to Dengue group and Presentation by Dr Halstead on "Antibodies Determine Virulence in Dengue" at MCC, Pune on 28th February, 2006.

Dr. C Dayaraj

1. First National Conference of AIDS Society of India (ASICON 2005) at New Delhi on 2nd-4th April, 2005.
2. Meeting with Dr. Suaya, Brandeis University on Dengue at NIV, Pune on 4th August, 2005.
3. Second Asian Dengue Research Network Meeting at Singapore on 28th-30th September, 2005.
4. Dr. Scott Halstead, (Research Director, PDVI) visit to Dengue group and Presentation by Dr. Halstead on Antibodies Determine Virulence in Dengue at MCC, Pune on 28th February, 2006.
5. WHO meeting on Dengue at New Delhi on 28th March, 2006.

Dr. A Basu

1. Virus morphodiagnosis and cryo electron microscopy applications in infectious diseases, NIV, Pune on 12th-16th April 2006.
2. Microscopy Congress, at Davos, Switzerland on 28th August - 2nd September, 2005.
3. Plasma Von willebrand factor, platelet auto antibodies and collagen induced platelet aggregation in dengue virus infection. In Second Asian dengue Networking meeting at Singapore on 25th-28th September 2005,.
4. Fourty Seventh Annual Society of Hematology meeting, at Atlanta, USA, on 10th December, 2005

Dr. S Cherian

1. Training on Introduction to ArcGIS I package, ESRI, at Pune on 5th 6th May, 2005
2. Symposium on Research trends in Computational Biology, C-DAC, Pune, 24th 25th November, 2005.
3. Workshop on Knowledge discovery in Life Sciences: structure-based bioinformatics approaches, Bioinformatics Centre, University of Pune, on 19th 22nd December, 2005.
4. Hands-on workshop on advanced microarray data analysis, at Institute of Science, Bangalore (I.I.Sc and Genotypic Technology) on 30th January 2006.

5. First National Workshop on Immunoinformatics, at Chennai on 14th-15th February, 2006.
6. Modeling of the complete structure of Dengue Type 2 virus E protein using C alpha trace from cryo-EM as seed, (Poster presentation) at the Raman Memorial Conference, Department of Physics, University of Pune, on 24th-26th February, 2006.

Dr. CG Raut

1. CPCSEA workshop at ACTREC, Mumbai on 15th 16th October, 2005.
2. Rapporteur in XXII Annual Convention of Indian Association of Veterinary Pathologists & National Symposium on Newer concepts in animal and avian disease diagnosis- a farmer, industry and Institutional dialogue and a satellite seminar on principles of histological basis of gross pathology of CL Davis DVM Foundation, USA, Organized by KNP College of Veterinary Science, Shirval, Pune on 25th-27th November, 2005.
3. IAEC meeting at Department of Microbiology, at AFMC, Pune on 12th December, 2005. (Invited).
4. Continuing Education Conference on Laboratory Animal Science & Medicine organized by M/s. Harlan, U.K. held at Mumbai on 16th-17th January, 2006.
5. Institutional Animal Ethics Committee meeting held at Lupin Limited (Research Park), Pune on 23rd January 2006.
6. Training programme for officers in Animal Husbandry, Department of Maharashtra State under Assistance to the States for Control of Animal Diseases (ASCAD) by the Disease Investigation Section, Regional Disease Diagnostic Laboratory, Pune to deliver a lecture on "Collection and processing of samples, isolation & identification of viral etiological agent" at YASHADA, Pune 24th January 2006. (Invited Talk).
7. Deliver lecture on "Viral Zoonoses" at the National Seminar under ASCAD Scheme on "Impact of Zoonoses on Animal Health and Production with special reference to Brucellosis" organized by Animal Husbandry Department, Maharashtra State, Pune at Nagpur on 28th-29th January, 2006. (Invited Talk).

Dr. SN Randive

1. Avian Influenza at Pune on 25th-26th November, 2005.

Mr. PN Yergolkar

1. Coordinated onsite Review visit of Dr. Nalini Withana, Regional Polio Laboratory Coordinator, WHO-SEARO, New Delhi for WHO Accreditation of the Polio Laboratory at NIV Field Station, at Bangalore on 18th-19th May, 2005.

2. Fourteenth meeting of Virologists from SEAR Polio Laboratory Network at New Delhi on 15th June, 2005.
3. Eleventh meeting of the SEAR Technical Consultative Group for Polio Eradication and Vaccine Preventable Diseases at New Delhi on 16th-17th June 2005.
4. Coordinated the visit of High Level Joint Committee of Experts from CDC-WHO SEARO & WHO-NPSP, New Delhi for reviewing laboratory capabilities for establishing JE Surveillance Network in the WHO-SEAR on 26th September, 2005.
5. WHO NIV workshop on Molecular Surveillance Network for Measles in India at NIV, Pune on 17th-18th October, 2005.
6. Polio Lab Co-ordinators meeting at Hyderabad on 8th December, 2005.
7. Karnataka State Level Measles Surveillance Induction Workshop organized by Department of Health and Family Welfare, Bangalore and WHO-NPSP, New Delhi at Bangalore on 24th-25th January, 2006

Dr. LR Yeolekar

1. Strain analysis of type A influenza virus strains in antigen capture ELISA (AC-ELISA) using monoclonal antibodies (Poster presentation) at the 3rd Orthomyxovirus Research Conference, Queen's College, Cambridge, UK 28th-31st July, 2005.
2. Meeting with National Influenza Centers on Strengthening the WHO Global Influenza Surveillance Network at St. Julian, Malta on 15th September, 2005.
3. Avian Influenza Meeting (Emergency meeting), ICMR, Head Quarter, New Delhi on 2nd November, 2005.
4. Epidemic preparedness and response for Avian Influenza Public Health Department Mantralaya, Mumbai on 10th November, 2005

Dr. BV Tandale

1. Delivered a lecture on laboratory diagnosis in workshop on Bird Flu for medical officers held at Nandurbar district of Maharashtra on 26th February, 2006.
2. Delivered a lecture on Illness in Andhra Pradesh, in NIV Journal Club meeting on Investigation of an outbreak of dengue on 25th March, 2006.

Dr. A Tripathy

1. Association of HLA class I and II genes with HCV infection in Maharashtra, India, Accepted for (Oral presentation) at the 14th International Histocompatibility Workshop at Melbourne on 2nd-8th December, 2005.

Mr. S Vaidya

1. WHO-ICMR workshop on ethical issues in vaccine trial, Pune on 26th-28th May, 2005.
2. XIII International Virology Congress of International Union of Microbiological Societies-2005, at San Francisco, California, USA 23rd-28th July, 2005
3. WHO-NIV workshop on Molecular surveillance network for measles in India, Pune on 17th-18th, October, 2005.

Mr.VP Bondre

1. Invited talk "Introduction to Principals of Virus Taxonomy - its principals with specific reference to marine viruses, why it is critical for electronic databases ?" on September 23, 2005 in "TEAM IndOBIS Orientation Workshop", held on September 19-23, 2005 at the Digital Information Resource Center, National Chemical Laboratory, Pune.
2. Served as paper setter and examiner for M.Sc. part II paper in virology subject of Microbiology examination 2005 of Nagpur University.
3. Served as paper setter for M.Sc. part II paper in Molecular Genetics, Biotechnology and Bioinformatics subject of Microbiology examination 2005 of Nagpur University.

Dr. SN Singh

1. Meeting of JCCC and J-gate (ICMR Libraries-Consortium) organized by NIOH, (ICMR) (under Library Modernization Plan) on 8th April, 2005.
2. Ninth International Congress on Medical Librarianship (9th World Congress on Health information and Libraries) 20th-23rd, September, 2005, Salvador Brazil. (Presented Poster).
3. National Convention on Library and Information Networking (NACLIN-7th-9th November, 2005) at PES Institute of Technology Bangalore (Paper presented).
4. Expert Member of Selection Committee NARI (ICMR), Pune 9th November 2005.
5. Expert Member of Selection Committee, National Institute of Naturopathy, Pune, December 14th 2005

Dr. PS Shah

1. Ahamadbad during dengue outbreak on request from District health officer at Ahamadbad on 19th-22nd July, 2005.
2. Trainers training workshop for medical college faculty organized by National vector borne disease programme at Raipur (Chhatisgarh). Delivered lecture on Dengue epidemiology, clinical

manifestation, diagnosis and management and prevention. on 29th-30th September, 2005. (Invited Talk).

3. The Department of Virology, Institute of Tropical Medicine, has been awarded the 21st century center of excellence programme by Japanese government for its research work in various tropical and emerging virus diseases. Delivered a lecture on situation of JE in India for researchers at Institute of tropical medicine. at Institute of Tropical Medicine, Nagasaki University, Nagasaki.Japan on 15th February, 2006.
4. Emerging scenario of patents protection valuation and commercialization at Seminar: National Research Development corporation and Patent Office Mumbai, on 2nd March, 2006.

Dr. B Anukumar

1. Flowcytometry Training ,BD India Limited, at New Delhi on 13th-15th July, 2005.
2. Microarray Workshop Genotypic technology, at Bangalore on 30th-31st January, 2006.

Mr. S Pawar

1. Influenza Foundation India (IGI) meeting on Moving towards prevention and control of Influenza, at ICMR, Ansari Nagar, New Delhi on 22nd October 2005.
2. Strain analysis of type A influenza virus strains in antigen capture ELISA (AC-ELISA) using monoclonal antibodies at the 3rd Orthomyxovirus Research Conference, Queen's College, Cambridge, UK on 28th 31st, 2005. (Poster presentation).
3. Sir Dorabjee Tata Symposium on HIV & AIDS Research Issues at Indian Institute of Sciences, Bangalore on 10th-11th March, 2006

Mr. Laxman Hungund

1. WHO-ICMR workshop on ethical issues in vaccine trial, at NIV, Pune on 26th - 28th May, 2005.
2. WHO-NIV workshop on Molecular surveillance network for measles in India, at NIV, Pune on 17th-18th October, 2005.

Mr. Hanumaiah

1. Training for Laboratory diagnosis of Measles and Rubella by ELISA Technique at National Measles Laboratory in Virology Department at King Institute of Preventive Medicine, Chennai as a part of WHO- SEAR Measles Laboratory Network organized by WHO-NPSP, New Delhi on 6th-9th March, 2006.

Dr. Naseem Shaikh

1. WHO-NIV workshop on Molecular surveillance network for measles in India, at NIV, Pune on 17th-18th October, 2005.
2. WHO-ICMR workshop on ethical issues in vaccine trial, at NIV, Pune on 26th-28th May, 2005.

Dr. VA Potdar

1. Priliminary training for working in High Containment laboratory at MCC from 9th -11th march 2005
2. Participated as a reviewing committee member in 7th Annual Convocation and scientific session, Federation of All India ICMR NIV 8th -10th April 2005
3. Origins, transmission resistance & susceptibility to AIDS and related viruses, Royal Society of Medicine, London UK 7th November 2005
2. 9th Annual Resistance Meeting on 'How to interpret & use HIV sequencing data Church House Conference centre, London UK 7th September 2005.

Mr. A Walimbe

1. Training on 'Introduction to Arc GIS I package', ESRI, Pune, 5th, 6th May 2005
2. Symposium on Research trends in Computational Biology at C-DAC, Pune on 24th- 25th November, 2005.

Mr. SS Bedekar

1. Training on "Introduction to ArcGIS I package", ESRI, at Pune on 5th 6th May, 2005.

Mr. Vijay Simha

1. Training on "Introduction to ArcGIS I package", ESRI, at Pune on 5th 6th May, 2005.

Mr. S Jadhav

1. Training on "Introduction to ArcGIS I package", ESRI, at Pune on 5th 6th May, 2005

Mrs. Vandana Bhide

1. WHO-ICMR workshop on ethical issues in vaccine trial, at NIV, Pune on 26th - 28th May, 2005.
2. NIC e awareness training on use of computers at NIC, Pune on 6th-17th June, 2005.
3. NIC e awareness training on use of computers at NIC, Pune on 11th-25th July, 2005.
4. WHO-NIV workshop on Molecular surveillance network for measles in India at NIV, Pune on 17th-18th October, 2005

Mr. SV Nipunage

1. Seventh Annual Convocation & Scientific Session Technical by Directors from CJIL, Agra & NIV, Pune on 8th-10th April, 2005.

Mr. HL Chakankar

1. Seventh Annual Convocation & Scientific Session Technical by Directors from CJIL, Agra & NIV, Pune on 8th-10th April, 2005.

Mr. AN Deshpande

1. Seventh Annual Convocation & Scientific Session Technical by Directors from CJIL, Agra & NIV, Pune on 8th-10th April, 2005.

Mr. MP Rajarshi

1. Seventh Annual Convocation & Scientific Session Technical by Directors from CJIL, Agra & NIV, Pune on 8th-10th April, 2005.

Mr. SN Fulari

1. Seventh Annual Convocation & Scientific Session Technical by Directors from CJIL, Agra & NIV, Pune on 8th-10th April, 2005.
2. Workshop on quality Control Techniques for Laboratory Rodents at ACTREC, Navi Mumbai resources from Dr. Ingle; Dr. Goto from CIEA, Japan on 24th-26th November, 2005.

Mr. RJ Sarpatil

1. Seventh Annual Convocation & Scientific Session Technical by Directors from CJIL, Agra & NIV, Pune on 8th-10th April 2005.

Mr. SRP Kumar

1. Training on GLP's in Hepatitis division at NIV, Pune. (One Week).
2. Symposium on Research Trends in Computational Biology at C-DAC (Centre for Development of Advanced Computing), Pune, India, on 24th-25th November, 2005.

Pragya Yadav

1. Participated in International Conference on Emerging Infectious Disease (ICEID) conference March 19th - 22nd, 2006, in Marriott Marquis hotel, Atlanta, GA, USA
2. Participated in International Symposium on Emerging Zoonoses (ISEZ) held on March 22nd- 24th, 2006 Marriott Marquis, Atlanta, GA, USA
3. Participated in workshop to learn about Micorarray & its use in new discovery and MULTIPLEX PATHOGEN DETECTION BY MASS TAG PCR Infectious Diseases Diagnostics workshop, New York, March 1st - 3rd, 2006 in the Jerome L. and Dawn Greene Infectious Disease Laboratory, Malima N School of Public Health Columbia University, New York

Mr. R Mehla

1. Symposium on Research Trends in Computational Biology at C-DAC (Centre for Development of Advanced Computing), Pune, India, on 24-25 Nov 2005,

Mrs. VV Yewale

1. JCCC and J-gate at NIV, Pune on 20th May 2005.
2. JCCC and J-gate of all ICMR Librarians at MCC, Pune on 23rd February, 2006.

Mr. Dominic Fernandes

1. JCCC and J-gate at NIV, Pune on 20th May 2005
2. JCCC and J-gate of all ICMR Librarians at MCC, Pune on 23rd February. 2006.

Mrs. Vandana Chandere

1. Preservation and conservation of library materials 7th Annual Convocation Federation of All India ICMR Employees at MCC, Pune on 8th-10th April, 2005. (Poster presentation).
2. JCCC and J-gate at NIV on 20th May 2005 .
3. JCCC and J-gate of all ICMR Librarians at MCC, Pune on 23rd February, 2006.
