

## **20. Training /Awards received by the Scientists / Fellows / Staff**

### **Dr. S. Chakrabarti**

- Recipient of Prof J.B. Chatterji Memorial Gold Medal from School of Tropical Medicine, Kolkata

### **Dr. S. Ghosh**

- Attended 6<sup>th</sup> International Advanced Course on Vaccinology in Asia-Pacific regions at Seoul, Korea conducted by International Vaccine Institute (IVI), Seoul, Korea from 15<sup>th</sup> – 20<sup>th</sup> May 2006 (as sponsored candidate of IVI, Korea).
- Attended ICMR – NIH Workshop on Ethics in Medical research at Kolkata from 11<sup>th</sup> to 13<sup>th</sup> October, 2006.

### **Dr. S. Dutta**

- Awarded with Ph. D. (Medical Science) degree in the year 2006 under Kyushu University, JAPAN and successfully completed RONPAKU (Dissertation Ph. D) fellowship programme of Japanese Society for promotion of Science (JSPS) during 2001-2005, awarded by Indian counterpart agency (DST, M/O Science and technology, New Delhi, India, vide ID No. DST- 10114).
- Invited to become member of the Council of Health Care Advisors, Gerson Lehrman Group, New York, USA in 2004-2007.
- Biography has been selected for publication in First edition of Who's Who in Asia published by Marquis Who's Who, USA, in 2007.

### **Dr. U. Mitra**

- Undergone counterpart Training Programme in Japan under the JICA-NICED Project for Prevention of Emerging Diarrhoeal Diseases – Phase II for a period of 10 weeks from 12<sup>th</sup> June to 19<sup>th</sup> August, 2007 at Nagasaki, Japan.

### **Dr. M.K. Bhattacharya**

- Awarded for counterpart training under JICA-NICED project for Prevention of Emerging Diarrhoeal Diseases during January 18 to February 17, 2007 at Tokyo, Japan.

### **Mr. A. Palit**

- Received training from 17<sup>th</sup> February 2007 to 14<sup>th</sup> April 2007 under the counterpart JICA-NICED training programme at Department of Bacterial Infection under Dr. Takashi Hamabata, International Medical Centre of Japan, Tokyo, Japan on different

aspects of diarrhoeal enteric pathogens viz. purification of Shiga toxin (VT2e) for a prospective experience on laboratory animal science.

**Dr. B. L. Sarkar**

- Participated in a hand-on training course on Vibriocidal assay in connection with cholera vaccine study at the International Vaccine Institute (IVI), in Seoul, Korea from 19.09.05 –25.09.05.

**Dr. T. Krishnan**

- Participated in the course on ‘Genetic Analyser’ held at the genomics and Proteomics training facility at Gurgaon, India between 18-20<sup>th</sup> September 2006 organised by Labindia Research and Development Laboratory.
- Research proposal submitted to Monbusho, Japan was selected for collaborative research work on Phylogenetic analysis of emerging viruses causing acute watery diarrhea among adults and infants: comparative genomics and structural proteomics between Division of Virology, NICED, India and Dept of Hygiene and Public Health, Sapporo Medical University, Japan.

**Dr. M.K. Saha**

- Trained in Good Clinical Practice (GCP) training conducted by World Health Organization in connection with the WHO Measles Aerosol Vaccine Project during 6-8<sup>th</sup> April 2006 at Kolkata, India.

**Dr. A. Deb**

- Participated in the ICMR-NIH workshop on Research Ethics held in Kolkata during October 11-13, 2006.

**Dr. A. Pal**

- Availed the counterpart training programme under JICA NICED Project for prevention of Emerging Diarrhoeal Diseases Phase-II for a period of 4 months from 27<sup>th</sup> March, 2006 to 29<sup>th</sup> July, 2006 at Japan.

**Dr. R.K. Nandi**

- Attended Microbiology Training Session at Centre for Vaccine Development (CVD), University of Maryland, Baltimore, MD, USA. Period August 24<sup>th</sup> – September 2<sup>nd</sup> 2006.

**Dr. A.K. Mukhopadhyay**

- Received training under the counterpart-training programme for the ongoing JICA-NICED project from June 12 to Nov. 18, 2006 at the Department of Bacteriology, Nagasaki University, Japan under Professor Toshio Hirayama on different aspects of vacuolating cytotoxin (VacA) of *Helicobacter pylori*.

**Dr. S.S. Das**

- Selected member of the academic committee and a resource person of the first school of the Center for Advanced Research and Education at Saha Institute of Nuclear Physics, Kolkata.

**Dr. S. Ganguly**

- Awarded DST Fast Track Young Scientist Award Grant 2005-2006.
- Selected invited member and resource person for technical committee in AIIMS, Delhi for Flow Cytometer.
- Selected invited member and resource person for technical committee in RMRI, Patna for Confocal Microscope.
- A hand on training and workshop on Flow Cytometer organized by Beckman Coulter in NICED, Kolkata from 24-29<sup>th</sup> July, 2006.
- A hand on training and workshop on Real Time PCR organized by LabIndia at Gurgaon, Delhi from 18-20<sup>th</sup> September 2006.
- Hands on training cum workshop on microarray organized by Genomic solutions Ltd. in RMRI, Patna, Bihar from 29<sup>th</sup> November to 1<sup>st</sup> December 2006.

**Mr. K. Rajendran**

- Short course in Bio-statistics titled on “Fundamentals of Bio-Statistics, Principles of Epidemiology & SPSS” held during February 5-9, 2007 by Bio-statistics Resource and Training Centre, Christian Medical College, Vellore, India.
- Short course in Bio-statistics titled on “Statistical Analysis System (SAS)” held during February 12-16, 2007 by Bio-statistics Resource and Training Centre, Christian Medical College, Vellore, India.
- GIS Training course attended titled on “Introductory GIS, Diseases Mapping, and Spatial Analysis” during May 14-18, 2007 at The International Vaccine Institute, Seoul, Korea.
