

10. OFFICIAL LANGUAGE IMPLEMENTATION

As a part of the Hindi Implementation Programme, trilingual Name Boards were prepared; Rubber stamps, Letter Heads and Forms were made in Bilingual form. Staff are being sent regularly for training in Hindi. "One day one word" in trilingual form is being displayed in the Notice Board for the benefit of staff.

Quarterly / Half yearly / Annual returns on Hindi implementation is being sent to Head Quarters. Inspection reports were also being sent. Official Language Implementation Committee meets at every quarter.

During September 2000, Shri.Kamal Singh, Director (Rajya Basha) Ministry of Health and Family Welfare visited and gave Guest Lecture on Hindi Implementation. The Chairman of the Official Language Implementation Committee (OLIC) of the centre attends Town Official Language Implementation Committee (TOLIC) meeting regularly at JIPMER, Pondicherry.

The centre has been repeatedly requesting ICMR Head Quarters for sanctioning certain posts for facilitating and improving the implementation of Hindi usage in office work.

12. WHAT OTHERS HAVE TO SAY

The VCRC is obviously a premier centre doing research at the cutting edge both at the basic and applied levels. Hearty congratulations for your outstanding leadership.

**Dr. Karamjit Singh Rai, Former Prof.,
Biological Sciences, University of Notre
Dame, USA.**

I must congratulate the way VCRC has cooperated with the District Health administration.. Now with this experience in Malaria control in Malkangiri district I can face the Malaria Problem of the State.

**Dr.K.P.Pani,Chief District Medical Officer,
Malkangiri.**

Encouraging to see excellent research work going on behind the scene.

Dr.T.Walia-WHO-India

Visited VCRC to discuss and study the lymphatic filariasis elimination programme. I am very much impressed with the work and am looking forward to seeing the results.

Mr.Andy Wright. Glaxo Smithkline - UK

With VCRC's encouragement and support our "People's Movement Against Malaria" launched in January 2000 has picked up pace and as of December 2000, reported deaths have reduced 50% in our District.

**Ms.Chithra Arumugam, IAS Collector &
District Magistrate, Malkangiri, Orissa.**

We value your many contributions to the success of our off campus study programs and continue to appreciate all of the effort and professionalism that you gave to our students and faculty.

**The Staff of the International and Off
Campus Studies at St Olaf College in
Northfield, Minnesota, USA.**

I have experienced a lot and had a wonderful time at VCRC, Pondicherry. Thank you for letting us have this experience, it has greatly increased my interest in Epidemiology and in general, Public Health.

**Megan Davis, Student St Olaf College,
Minnesota, USA.**

Thank you so much for allowing me a chance to work at the Vector Control Research Centre during my stay in India. It was a very educative and enlightening experience and I thoroughly enjoyed working with your staff and seeing all the amazing efforts that are being done here.

**Kristy Matz, Student St Olaf College,
Minnesota, USA.**

Great place, enjoyed working with VCRC staff.

**Bob Zimmerman, Tutor, Regional Course
on Comprehensive Vector Control,
Gainesville, Florida,USA.**

Visit to VCRC was very educative and enlightening. We look forward to bringing more students here. Thanks for all your help.
