

## ADVERTISEMENT FOR POSITIONS IN THE ICMR RESEARCH PROJECT

Applications for the following posts are invited from eligible candidates for the ICMR sponsored research project entitled “*Cytogenetic profiling of patients with chronic kidney disease: Evaluation of genomic instability*” under the supervision of Dr. Ravindra M Samartha, ICMR-National Institute for Research in Environmental Health, Bhopal. The applications in prescribed format (downloadable from [www.nireh.org](http://www.nireh.org)) along with relevant documents should be submitted up to **30<sup>th</sup> November 2017**. List of candidates shortlisted for written test/interview along with date and venue of the written test/interview will be displayed on website of ICMR-NIREH, Bhopal in due course of time. The candidates without essential qualifications/experience, applications not submitted in prescribed format and applications submitted by e-mail will not be entertained. Candidates for written test/interview will be shortlisted on merit and mere fulfillment of essential qualification does not confer the right to the applicant to be called for written test/interview.
